

BLUETTI African Star 1 Solar Kit

Go Green, Stay Powered
Smart and Eco-Friendly Energy Solution

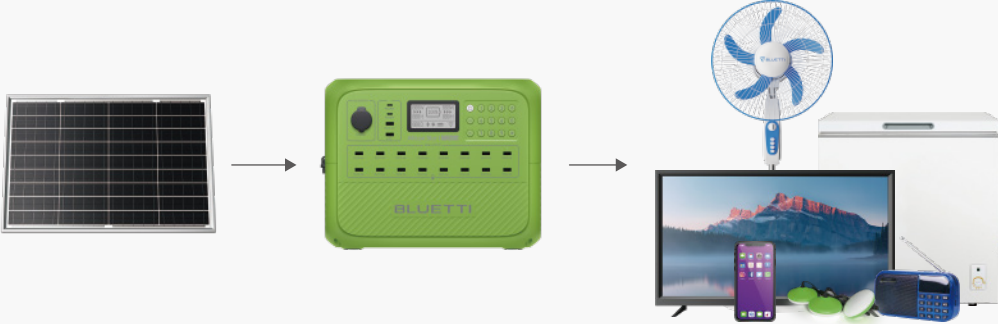

All-in-One Green Energy
Solution for Small Shops

Energize Your Business with
Integrated Solar System

Versatile Charging Ports Covering All Needs

Featuring 33 ports, the African Star 1 supports up to 350W*2 solar input while charging multiple devices simultaneously, including LED lights, TVs, fans, radios, and a 142L refrigerator. This powerful system offers unparalleled convenience for a wide range of applications.

LED Light	2W 390Hrs
Cellphone	18Wh 96 Times
Fan	13W 130Hrs
TV	20W 78Hrs
Radio	2.5W 130Hrs
Refrigerator	80W 19Hrs

PayGo Enabled, Easy Power Accessible

1. Seamless Payments:

Customers can easily pay monthly loans to distributors via mobile currency.

2. Instant Token Delivery:

Upon payment, the African Star 1 will unlock automatically or using the buttons.

3. Full Access Unlocked:

Once the final installment is completed, the system is fully unlocked for uninterrupted energy access.

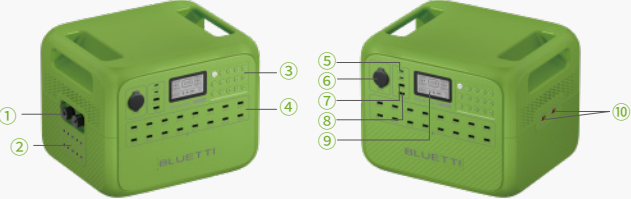

Unleash Unlimited Power Potential

The African Star 1 is designed with up to 33 ports to accommodate your diverse energy needs - whether at home or for your business. With a robust 1700Wh capacity, it can power up multiple appliances simultaneously, including refrigerator, fan, TV, radio, and more.

Experience high-efficient charging and enjoy a faster return on investment!
